

RECON

TACTICAL SPECIALTY HAND PROTECTION

The Recon is a performance leather tactical glove designed to provide law enforcement officers with versatile hand protection when responding to calls for service and making arrests. The glove is anatomically designed to conform to the natural curvatures of the hand using three-dimensional patterning. The palm features 0.6mm goatskin leather to deliver the perfect blend of dexterity and durability in the field. The Recon glove maintains connectivity on the beat with touchscreen technology in the palm of your hand.

ERGONOMIC DESIGN

Three-dimensional patterning provides an unmatched fit with precision feel.

TOUCHSCREEN CAPABLE

High-dexterity 0.6mm goatskin leather with touchscreen capability.
