

jetStamp 1025

• 100% mobile • Large imprint area • Ideal for small and large objects • Display guided operation • Large imprint memory • Max. print size: 85 x 25 mm (W x H)

THE ALL IN ONE SOLUTION

The large one: The mobile marking device *jetStamp 1025* is the **ideal solution for printing on large areas**, such as pallets, cardboard or packaging.

Entirely **without cables** or a fixed location, the *jetStamp 1025* can be used where it is needed. Integrated capping to seal the **print head keeps ink from drying out** even with longer breaks between uses.

The *jetStamp 1025* makes work easier in many ways. The **integrated display** shows the set print image easily legible at all times.

The print images can be **transferred** to the mobile marking device **by Bluetooth or USB**.

With its **integrated multi-triggering**, placed both on the side and at the centre of the handle, the device can be **handled ergonomically and comfortably**.

- 100% mobile
- Large imprint area
- Ideal for small and large objects
- Display guided operation
- Large imprint memory
- Max. imprint size: 85 x 25 mm (w x h)

jetStamp 1025 - Technical Data
