

Product Datasheet

Portable self-contained unit with handheld eye wash - 11 L / 2.9 US gal

STD-28G

This unheated portable eye/face wash can be used as a secondary measure to supplement plumbed-in units, and in areas unsuitable for fixed installations. The pressurized stainless steel cylinder has an 11 L / 2.9 US gal capacity to provide a gentle flow of water for two minutes using the handheld eye bath diffuser.
